APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit to appropriate and store 150 acre feet of the water of East Fork of Snow Creek is granted subject to all prior rights on the source. A substantial headgate and weire must be installed and maintained at or near the point of diversion to facilitate the measurement and control of water. The state reserves the right to regulate the use of water herein granted at any and all times.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed 150 acre feet per annum cubic feet per second.

Actual construction work shall begin on or before April 1, 1934

Proof of commencement of work shall be filed before May 1, 1934

Work must be prosecuted with reasonable diligence and be completed on or before April 1, 1936

Proof of completion of work shall be filed before May 1, 1936

Application of water to beneficial use shall be made on or before

August 1, 1938

Proof of the application of water to beneficial use must be filed with State Engineer on or before September 1, 1938

Map Filed December 9, 1931

AUG 13 1935

WITNESS MY HAND AND SEAL this 2nd day

Proof of labor filed

Proof of completion of work filed JUN - 1 1936

Proof of Beneficial use filed FEB 28 1940

Cultural Map Filed February 21 1940

of October, 1933

Certificate No. 2572 issued Jan. 28, 1941, for 150 acre ft. per season. L. & D. W. V. S.
